

"Our power lies not in our superior physical strength but in our ability to connect, empathize, and protect. That is the strength that makes us men." - Bart Scott

BECOME PART OF THE CONVERSATION

"It became clear to me that violence against women was not merely a female issue; it was a human dilemma twisting the lives and consciences of men as well; men whose voices needed to be heard in order for the dialogue that began ten years ago with the founding of V-Day to be complete." - Mark Matousek
